THE PLEDGE 1966

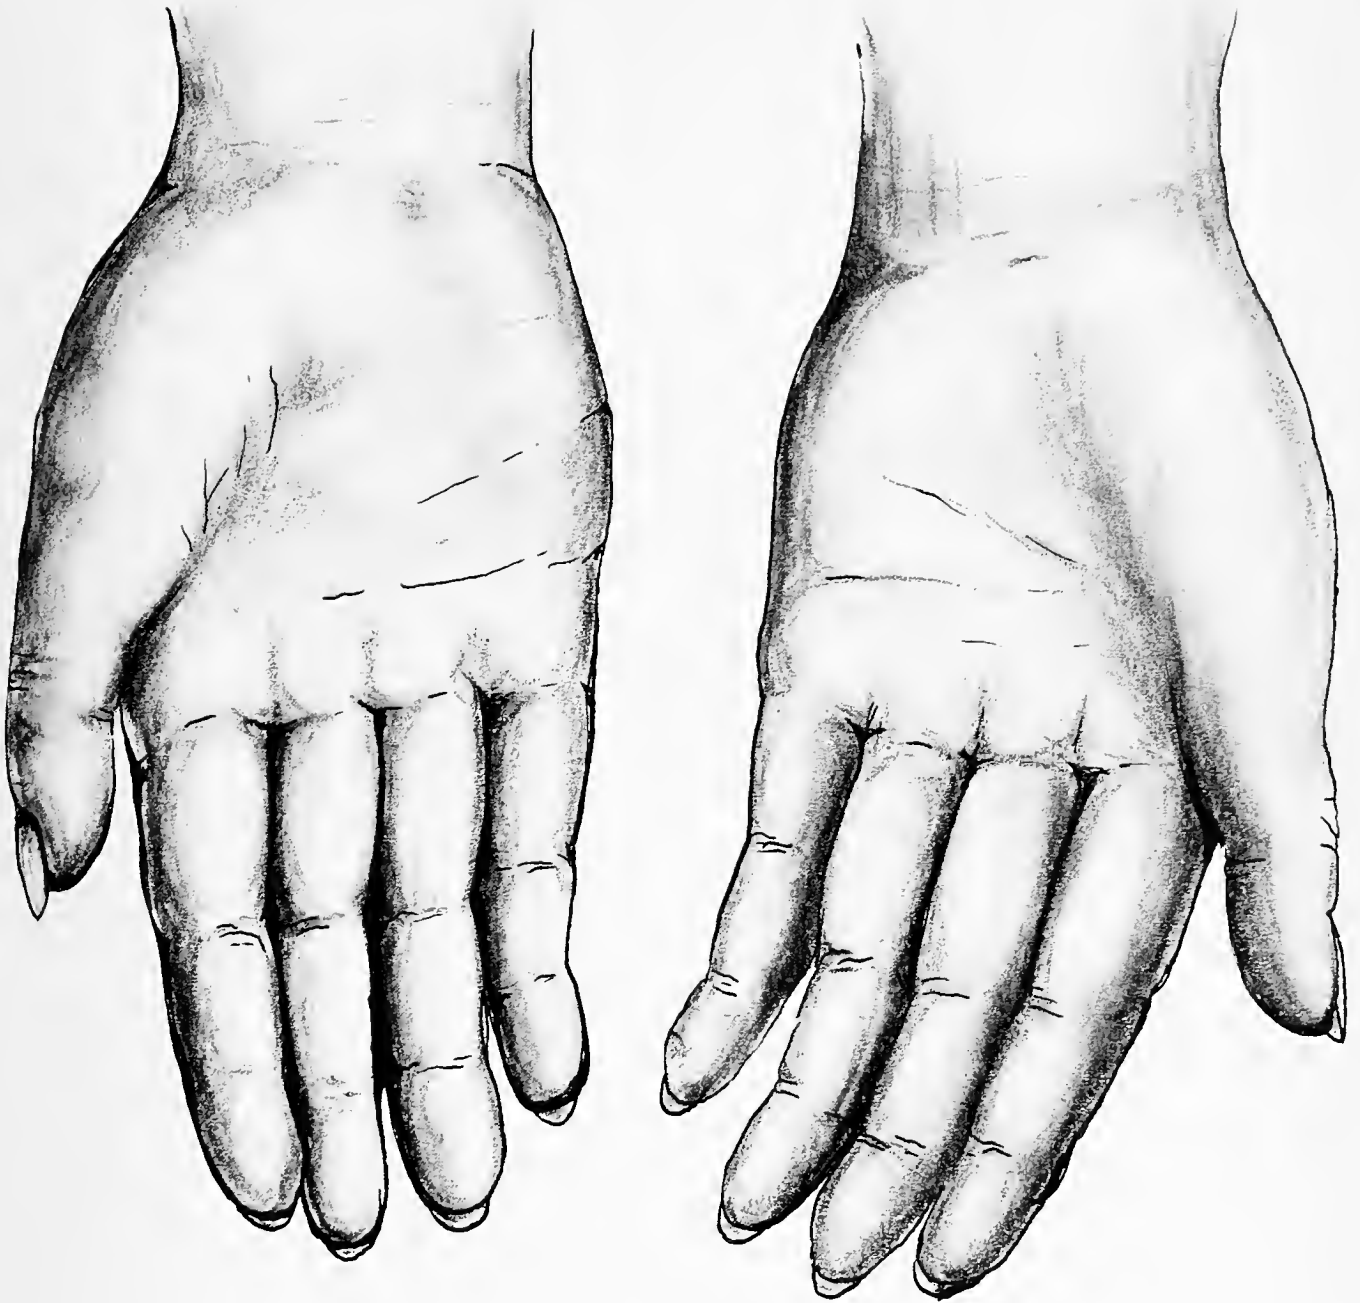

*IN THIS VOLUME WE
HOPE TO EXPRESS THE
MEMORIES, THE IDEALS,
AND APPRECIATIONS OF
THE CLASS OF 1966*

THE TOUCH OF HUMAN HANDS

*WE NEED THE COMRADE HEART
THAT UNDERSTANDS,
AND THE WARMTH, THE LIVING
WARMTH OF HUMAN HANDS.
'TIS THE HUMAN TOUCH IN THIS
WORLD THAT COUNTS,
THE TOUCH OF YOUR HAND AND MINE,
WHICH MEANS FAR MORE TO THE
FAINTING HEART
THAN SHELTER AND BREAD AND WINE.*

SPENCER MICHAEL FREE

WITH ONLY THESE, OUR HANDS
WE CAN DO SO MUCH . . .

IN APPRECIATION

DEAN FLORENCE MEDA GIPE

R.N. -- York Hospital School of Nursing (York, Pa.)

B.S. -- Catholic University of America

M.S. -- University of Pennsylvania

Ed.D. -- University of Maryland

Professor of Nursing

Dean of the University of Maryland

School of Nursing

"There are those who give and know not
pain in giving, nor do they seek joy, nor
give with mindfulness of virtue, . . .
through the hands of such as these God
speaks." --Gibran

With justifiable pride does our school of nursing function under outstanding leadership and guidance of Dean Gipe. Her record is a testimony of her admirable abilities; she has held various high administrative positions encompassing both nursing service and nursing education. As a teacher she has instructed at both the York Hospital School of Nursing and at Providence Hospital School of Nursing. After having already served as the Director of Nursing, and as Director of the School of Nursing at Maryland General Hospital, Dr. Gipe then came to University Hospital as the Director of Nursing Service and Nursing Education. While in this position she was instrumental in developing a nationally accredited collegiate nursing program here. Thus, in 1952, this School of Nursing became a college within the University of Maryland. Though active in many professional organizations, it has been especially through her work with the Southern Regional Educational Board and the Graduate School of the University that Dean Gipe has been responsible for the initiation and development of graduate curricula leading to the Master of Science degree in Nursing. In addition to holding membership in an impressive array of scholastic and professional honorary societies, Dr. Gipe has received many commendations from various community groups and civic organizations on behalf of her worthy contributions, through nursing education, to the improvement of nursing care rendered to patients. Certainly her outstanding administrative skills, creative initiative, and sincere dedication have in great measure advanced the nursing profession, in theory, scope, and practice.

The month of June will mark the termination of our undergraduate education. For Dean Gipe, our guiding hand of many years, June will mark the conclusion of a productive and dedicated service to our school. In her honor, we, the Class of 1966, pledge our fullest potential to the nursing profession.

THE FLORENCE NIGHTINGALE PLEDGE

I solemnly pledge myself before God and in the presence of this assembly, to pass my life in purity and to practice my profession faithfully. I will abstain from whatever is deleterious and mischievous, and will not take or knowingly administer any harmful drug. I will do all in my power to maintain and elevate the standard of my profession, and will hold in confidence all personal matters committed to my keeping, and all family affairs coming to my knowledge in the practice of my calling. With loyalty will I endeavor to aid the physician in his work, and devote myself to the welfare of those committed to my care.

ADMINISTRATION

THE ADMINISTRATION THROUGH THE YEARS...

The University of Maryland School of Nursing, the second such school to be founded in the state, was organized in 1889 by Louisa Parsons, a student of Florence Nightingale. In 1902, the original two year curriculum was extended to three years. In 1920, the school became a separate unit of the University, although it continued to be administered as a hospital school. Six years later, a five year combined academic and nursing program was instituted. However, in May, 1952, a four year program was organized, a Dean appointed, and faculty members accorded academic status. By this action the School of Nursing became a separate college in the University offering a curriculum leading to a B.S. degree in Nursing. Following this, the School of Nursing became a department of the graduate school in March, 1954.

These years of experience in administration, plus ample appreciation of the role of the nurse contrived from personal experience, have endowed the administrative staff with keen insight into the function of a school of nursing. But this is not enough, thus the administrative program is ever changing, ever striving for improvement.

PRAYER

To every thing there is a season, and a time to every purpose under the heaven;

A time to be born, and a time to die; a time to plant, and a time to pluck that which is planted;

A time to kill, and a time to heal; a time to break down, and a time to build up;

A time to weep, and a time to laugh; a time to mourn, and a time to dance;

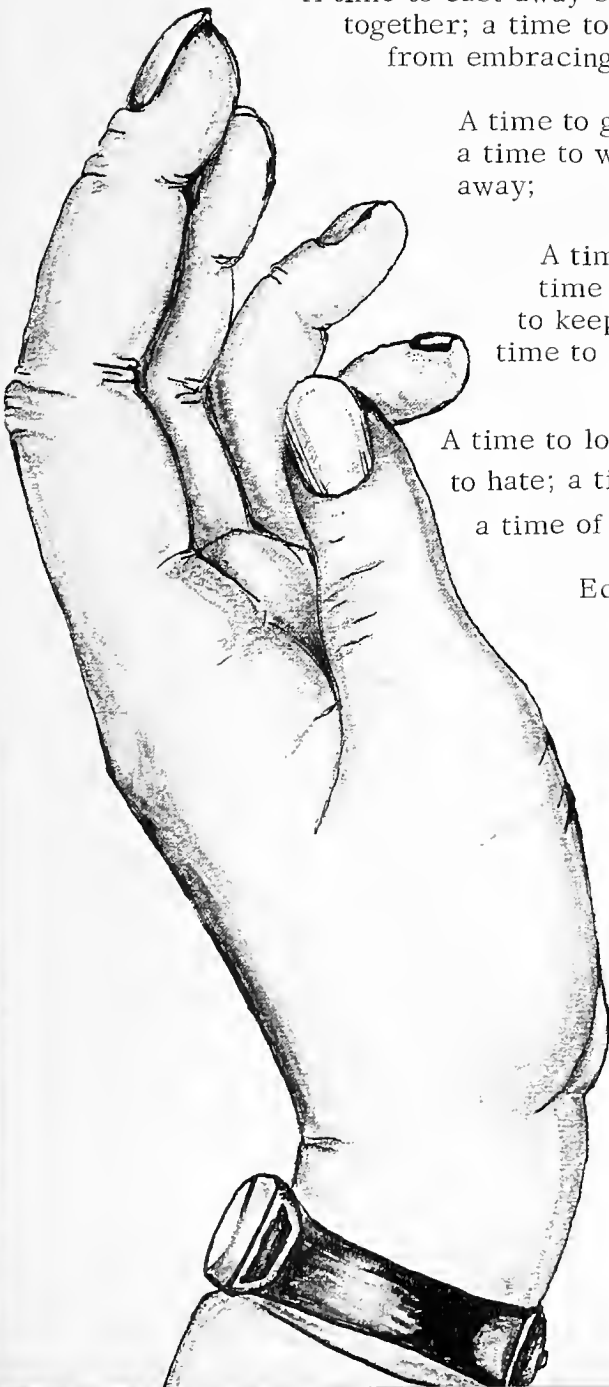

A time to cast away stones, and a time to gather stones together; a time to embrace, and a time to refrain from embracing;

A time to get, and a time to lose;
a time to win, and a time to cast away;

A time to rend, and a time to sew;
a time to keep silence, and a time to speak;

A time to love, and a time to hate;
a time of war, and a time of peace.

Ecclesiastes
3:1-8

CLASS

Four years is not a great drop in the bucket of time, but to us who have spent our last four years in this school of nursing they have swelled to a near tidal wave of memories and experiences in living and learning. Through the haze of events many stand out and can be easily recalled and relived mentally with a smile, or a frown, or a brief embarrassing twinge . . .

The first feeling -- an overwhelming sense of vastness of the College Park Campus . . . the excitement of football games . . . dorm life . . . sorority and fraternity fun and friendship . . . struggling through zool, micro, and chem labs . . . the long library hours -- not always spent studying! . . . gradually learning who were our nursing classmates . . . campaigns and elections . . . walking "miles" in ten minutes through the mud, snow, and rain . . . eight o'clock classes . . . four o'clock labs . . . loving college life but longing to be in Baltimore, and Nursing, and . . .

Biochem and Pharm . . . the labs we never had . . . unrelenting heat . . . 50¢ movies . . . "concrete jungle" . . . One o'clock and our beacon -- the Bromo Seltzer Tower . . . and the joy of those nineteen one o'clocks . . . tennis courts and lost dollars on lost tennis balls . . . Parson's Hall -- complete with heat in the summer, mice, roaches, and soot . . . but home . . . pigeons at dawn . . . our very comfortable sundeck -- filled with bathing beauties . . . anxiously awaiting the "men" . . . Peds -- "the nicest way to start" . . . our first delivery . . . Med-Surg: care studies, care plans, study guide questions . . . typewriters whizzing at two a.m. . . .

HISTORY

the first injection . . . "Rub two cells together, ladies" . . .
Mr. "C" . . . the excitement of being in the hospital . . . boys
in white . . . Med-Surg exams -- more like reading a novel
. . . Homecoming -- our queen, Marilyn Allen . . . trips to
College Park on weekends . . . desserts . . . long distance
phone calls . . . studying in the S.U. . . . nightly trips to the
hospital for assignments . . . the red dot on a thermometer
. . . hoppers -- and learning to work them the hard way . . .
Junior-Senior Prom . . . "Ruth's" . . . scrub and scrub and
scrub . . . "now youngsters" . . . first time to the O.R. . . .
showers for lucky instructors . . . elevators that "always" work
. . . farewell Miss Conley -- hello Miss Hale . . . the 75th
Anniversary . . . singing at Med. School Convocation . . .
watching the Seniors graduate . . . dreaming . . . "only one
more day of strife" . . . only one more year to go! . . . And
there we found . . .

Gown and mask technique . . . bib cards . . . and bridge cards
. . . IPR's . . . playing head nurse . . . washing and ironing
caps . . . bib cards . . . Senior pictures (somehow that white
cap made them more flattering than ever!) . . . South Baltimore
-- rise and shine at five a.m.! . . . Stryker frames and wheel
chairs . . . stamping out disease -- in 10 degree weather . . .
what do you know -- a semester break! . . . ordering graduate
caps and uniforms . . . papers, papers, papers . . . more dia-
monds appearing . . . and then the BIG WEEK . . . Class Picnic
. . . Cap Stringing . . . SGA Banquet . . . Convocation in frilly
white caps . . . Senior dinner-dance . . . and then graduation in
a sea of strange faces, but in a pool of dearly loved ones. Four
years was not such a long time after all!

ORGANIZATIONS

PLEDGE STAFF

Above, looking pensive, is the able editor of THE PLEDGE, Barbara Baldwin.

Pictured below are C. Cole and B. Kuhfuss (ON FLOOR), and C. Koenig, P. Blades, and N. Baumann (SEATED), who are working hurriedly on a layout so that it will be in on time.

Members of THE PLEDGE staff are (SEATED) C. Cole, N. Baumann, B. Kuhfuss, B. Baldwin, A. Riutort, C. Koenig, (STANDING).

THE PLEDGE is the Yearbook of the School of Nursing. The staff is composed of seniors and juniors. THE PLEDGE offers students the opportunity to demonstrate their abilities in journalism, photography, and their willingness to "meet the deadline."

Eager for patrons and advertisements for THE PLEDGE are P. Blades, N. Baumann, and S. Dorsey, who comprise the Business Staff of the Yearbook.

C. Kehoe, N. Peck, P. Young, N. Pue, J. Garner, J. Caskey, S. Dorsey, J. Orleans, M. Silverman, P. Blades, and M. Allen.

Pictured below is Miss Dyson, who dedicated much time and effort to THE PLEDGE, as faculty advisor.

STUDENT GOVERNMENT ASSOCIATION

Members of the SGA Executive Council were:
(SEATED) C. Paine, G. Evans, A. Riutort;
(STANDING) L. Ellis, C. Kehoe, C. Jodlbauer,
and R. Elliott. Not pictured were: B. Wood, M.
Silverman, C. Weymouth, B. Baldwin, L. Cayton,
C. Kehoe, L. Ellis and J. Hoar.

The Judiciary Board of the SGA had as its
members: C. Paine, A. Riutort, and S.
Laibe.

Each student of the School of Nursing is a member of the SGA. The purpose of this organization is to uphold high standards of conduct and scholarship, to encourage good fellowship among students, to create a sense of unity with the faculty, and to instill an appreciation for the need for continuous professional growth. Miss A. Dougherty is the faculty advisor to the SGA.

The SGA officers were: (SEATED) C. Paine, G. Evans, C. Jodlbauer; (STANDING) B.
Wood, C. Weymouth, and A. Riutort.

Members of the MEDICINE DROPPER staff are: (SEATED) M. Silverman, J. Orleans, C. Kehoe, J. Garner, and N. Peck. STANDING are B. Callahan, S. Connor, J. Caskey, M. Allen, and A. Riutort.

The MEDICINE DROPPER is the paper for the School of Nursing and is mimeographed every month. It includes articles about many campus activities as well as new items concerning the students and activities of the School of Nursing. Pictured below is Mr. H. Cardellino, who is the faculty advisor to the MEDICINE DROPPER.

As editor of the MEDICINE DROPPER, Courtney Kehoe is frequently heard saying, "Girls, if you have any news, PLEASE let me know."

JUNIOR CLASS OFFICERS

Junior class officers J. Chew, social chairman; C. Dempsey, secretary; L. Cayton, president; L. Edminster, historian; V. Powers, vice-president; and N. Grover, treasurer.

SENIOR CLASS OFFICERS

Senior class officers J. Hoar, treasurer; S. Dorsey, social chairman; P. Young, vice-president; R. Elliott, president; A. Cuthrell, secretary; and C. Kehoe, historian.

STUDENT NURSE'S COUNCIL OF MARYLAND

SNCM officers were: (SEATED) J. Miller, J. Hoar, and (STANDING) S. Rohrer, R. Kuhfuss.

The Student Nurses' Council is "our" organization designed to foster the growth of nursing students in our personal and professional life as we prepare to carry out our future responsibilities as professional persons. One of its purposes is to stimulate an understanding and interest in the programs of the American Nurses' Association and the National League for Nurses.

Representing the University of Maryland are: Judy Miller, who is the second vice-president of SNCM, Judy Hoar, who is the corresponding secretary of SNCM, Susan Rohrer, who is the University of Maryland representative to SNCM, and Bobby Kuhfuss, who is on the nominating committee for district number 2.

Pictured below are just a handful of the members of the Student Nurses Council of Maryland. N. Grover, A. Riutort, J. Hoar, S. Rohrer, C. Payne, P. Young, L. Ellis, and C. Koenig.

Sigma Theta Tau members pictured above are A. Cuthrell and N. Baumann. Not pictured are: D. O'Neal, P. Roche, B. Baldwin, and C. Lusby.

SIGMA THETA TAU

Sigma Theta Tau is the National Honor Society of Nursing. It is a society dedicated to the task of promoting high professional standards. Membership requirements include an academic average of not less than 3.0. Qualities of leadership, capacity for professional growth, and desirable personality traits are also evaluated.

Phi Kappa Phi is the national honor society for seniors in the top ten percent of Maryland's graduating class. An overall average of not less than 3.3 is required for membership.

PHI KAPPA PHI

Phi Kappa Phi members are D. O'Neal and C. Lusby.

CHOIR

Linda Ellis, president of the Choir reports that, "under the expert leadership of Mr. Charles Haslup from Towson State College, the choir has had a very successful year which included many varied activities. At Christmas we went caroling at the Naval Academy Hospital and University Hospital. In the spring a joint program was held with the Men's Glee Club from Towson at Baltimore City Hospitals. The year ended with the traditional participation in the Medical School Convocation."

At the keys is Mr. Charles Haslup, Choir Director.

Choir members (KNEELING) S. Dorsey, P. Kicullen, C. Kehoe, J. Caskey, K. Liberatore, M. Allen, J. Lank, and C. Wagner. STANDING are: R. Elliott, D. Merwitz, J. Hoar, G. Evans, J. Moses, V. Leslie, T. Tyler, A. Cuthrell, Librarian; S. Conner, C. Payne, C. Koenig, S. Rohrer, L. Ellis, president; A. Riutort, N. Pue, A. Harper, J. Orleans, K. Cummerford, J. Debrovy, C. Cherry, N. Peck, and J. Garner.

BIBLE STUDY GROUP

Members of the Bible Study Group meet every Wednesday to investigate the Bible together. Pictured above are (SEATED) A. Cuthrell, C. Vitto, N. Peck, P. Coe, and N. Grover, (STANDING) C. Davidson, S. Rohrer, C. Lusby, G. Evans, J. Garner, and C. Wagner.

Toby Tyler and Marita Silverman represent the Nursing School.

STUDENT UNION BOARD REPRESENTATIVES

The purpose of the Student Union Board is to regulate dormitory, dining, and other non-academic facilities, and to contribute to a well-rounded social, recreational, and cultural life on campus. Representatives are elected annually from each of the professional schools of Dentistry, Law, Medicine, Nursing and Pharmacy. Together they form and function as representatives of the student body.

IN MEMORIAM

For many years, the students residing in Parson's Hall had adopted Mrs. Edythe Brown as their mother away from home. Her sincere concern for each and every one of us, her friendly advice, her gentle reprimands, and her nightly rounds to "tuck us all in" gave dorm living that touch of hominess that we all missed. But suddenly on March 20th of this year she was taken from us and only the wonderful memories of her linger on. One of her favorite poems, "Smile" is so very typical of our Mrs. Brown, our housemother, our friend.

Mrs. Edythe Brown

A SMILE

A smile costs nothing, but it gives much. It enriches those who receive, without making poorer those who give. It takes but a moment, but the memory of it sometimes lasts forever. None is so rich or mighty that he can get along without it, and none is so poor but that he can be made rich by it. A smile creates happiness in the home, fosters good will in business, and is the counter-sign of friendship. It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and it is nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone until it is given away. Some people are too tired to give you a smile. Give them one of yours. As none needs a smile so much as he who has no more to give.

SCHOOL OF NURSING
UNIVERSITY OF MARYLAND
624 WEST LOMBARD STREET
BALTIMORE, MARYLAND 21201

OFFICE OF THE DEAN

TELEPHONE NUMBER
AREA CODE 301-955-87

To My Dear Graduates in the School of Nursing of 1966

Time and tide wait for no man! It is hard to realize that I, with some other members of the faculty, have participated at twenty-one graduation exercises for University of Maryland nurses. These graduates have gone into the immediate community and in fact all over the world to practice their chosen work. Your group, the Class of 1966, will be my last as Dean of the School of Nursing of the University.

Your potent objective, today, must be the same as it was when I came to the University of Maryland twenty years ago. This objective you already know has prevailed always in professional nursing; that is to teach principles of health and to care for the sick and the dying. You, I am certain, will meet other tremendous health challenges in the practice of nursing, such as being leaders in nursing, teachers, clinical specialists, public health nurses, and others. Your final records in this University will show that you have been scientifically and artistically prepared in a large and progressive Medical Center owned by the State of Maryland and utilized for the educational preparation of those students in the health disciplines of which nursing is a vital part. From now on your educational decisions for further preparation will be yours.

Even though you and I will be separated, obviously, I always will have the School of Nursing of the University of Maryland as my first and foremost interest. It has been a great joy and satisfaction to see an embryo group of 25 students begin in 1952 to study for the degree of Bachelor of Science in Nursing. Now this number has increased to more than 600 undergraduate students, not including the many registered nurses from other local and out-of-state hospitals and health agencies--more than 400 of these nurses are enrolled each semester. A graduate program begun in 1956 with an enrollment of 8 students has presently an enrollment of 218 students. This program for graduate students in nursing is the second highest of any other college in the University.

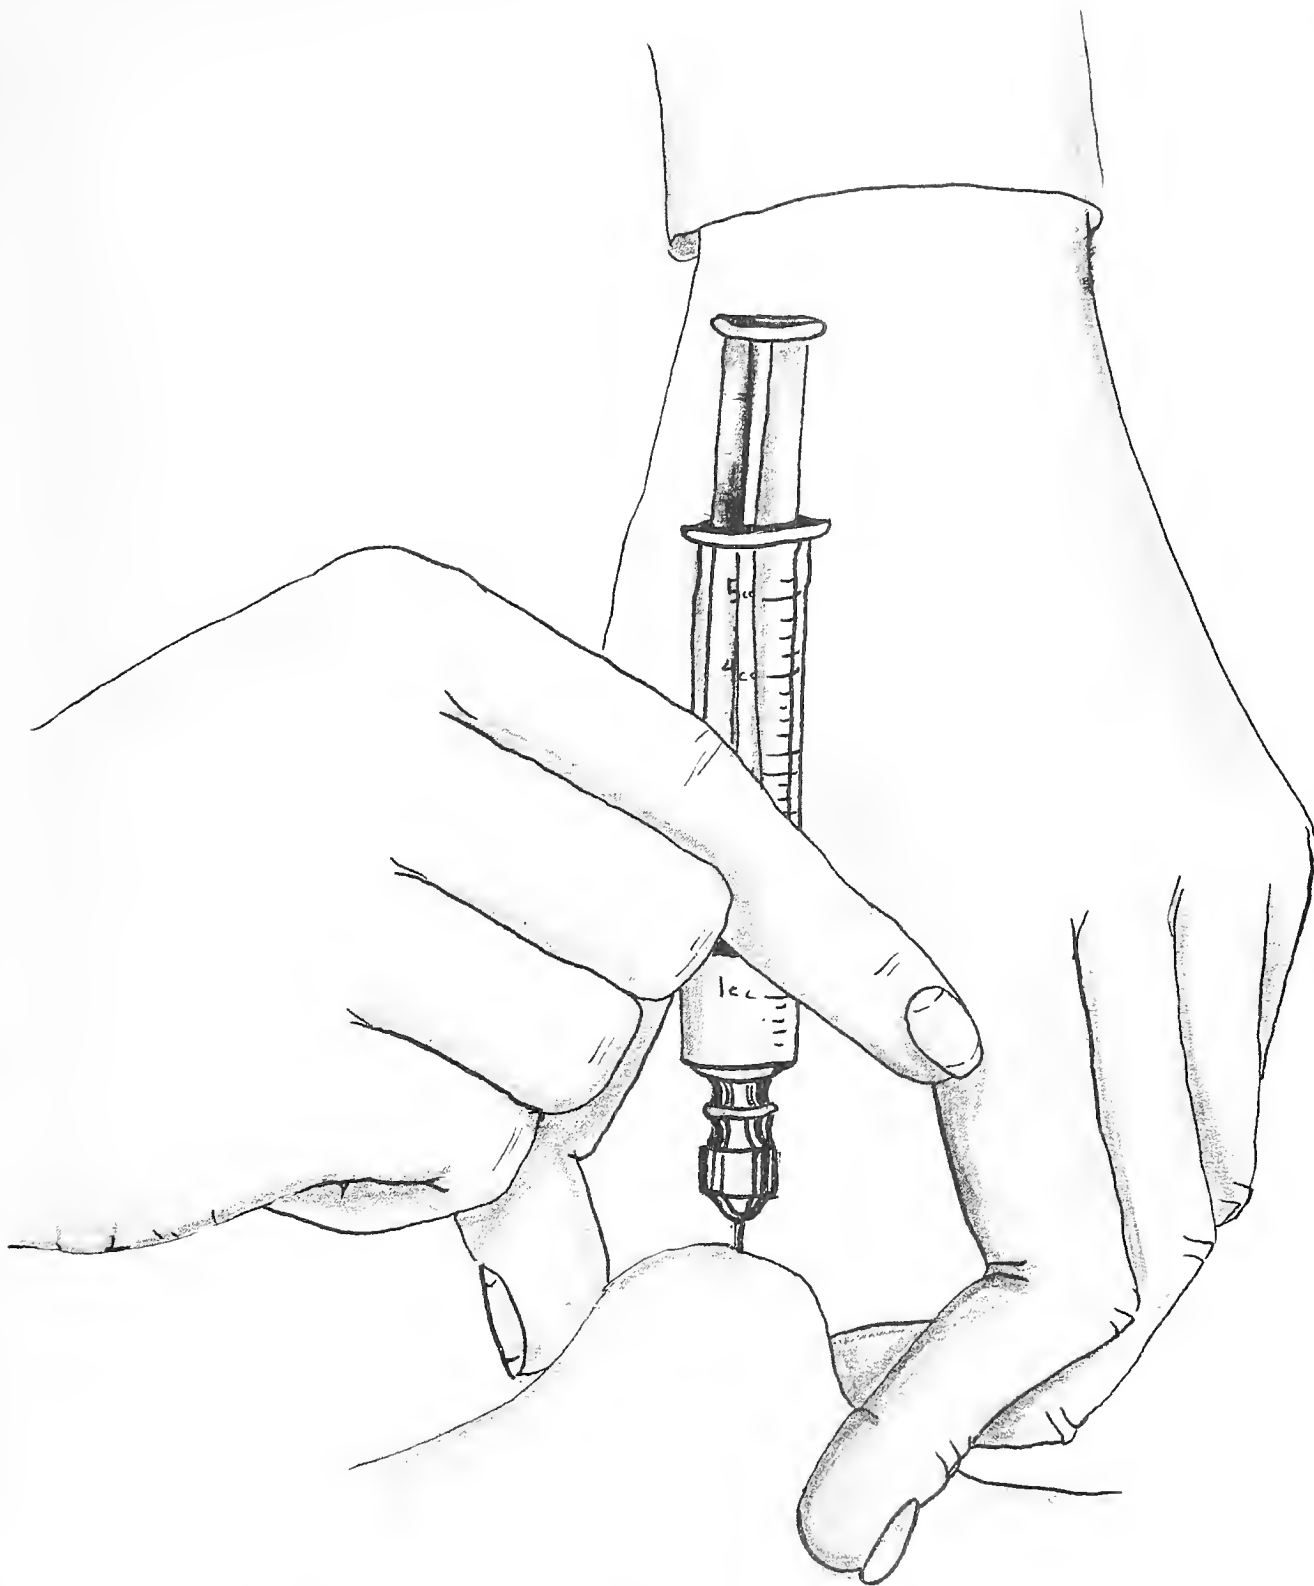

The University of Maryland School of Nursing has been well received nationally and internationally. It will now embark on a new era because of the many new opportunities in the health sciences; and so accordingly will each class of graduates of this School and other Schools of Nursing, for the poet has aptly said:

Mortals that would follow me
Love virtue, she alone is free
She can teach ye how to climb
Higher than the sphery chime;
Or if virtue feeble were
Heav'n itself would stoop to her.

Milton

Total patient care began to have real meaning for us when we entered Junior Medical-Surgical Nursing. It was a source of amazement to us all that we survived the long hours of work and study. In future years, we will overlook the hardships and remember -- Doctors' lectures . . . Ruining aprons with AgNO_3 . . . "Rub two cells together, ladies!" . . . Ward meds . . . Trach care . . . Fourteen page exams . . . Balanced traction . . . Walking off with med cards . . . Running back to return the narcotics keys . . . White lab coats and midnight rendezvous at the chart rack . . . Care studies and care plans . . . "Grab your ovaries and run!" . . . Ten minute scrubs . . . The O.R. . . . The chest side and the general side of the recovery room . . . Army instructors . . . Hot tired aching feet . . . Cardiac arrests . . . N.S.D.O.'s and vital signs . . . 3D . . . The mystery of I.P.P.B. . . . Digoxin, Digitalis, and Digitoxin . . . Bed baths . . . Urinals, bedpans, and drainage bottles . . . Proctoscopy, gastroscopy, bronchoscopy . . . Clinics in the O.P.D. . . . Decubiti, prevention and care . . . Diabetic care studies . . . Irrigations . . . The private floors vs. the wards. The security of an instructor. Although at the time it was hard to appreciate all that was being done for us, now we are thankful for it.

Dressings can be fun . . . if you're not doing them . . . D. Early and C. Brundelre.

SENIOR MEDICAL SURGICAL NURSING

REHABILITATION NURSING

Senior Medical Nursing gave us a glimpse of three phases of nursing. Rehabilitation nursing . . . "Riding wheelchairs" . . . Hemiplegics . . . Physical therapy . . . "Transfers with help" . . . Coffee breaks . . . Ward Management . . . Transcribing doctors' orders . . . Giving ward medications every day . . . Leading the nursing team . . . Holding ward conferences . . . Tuberculosis nursing . . . Frequent handwashing . . . Sticky hand lotion . . . Back care . . . X-rays . . . Coffee breaks . . . Gowns and masks. These memories may fade with time but we will not lose the valuable experience we gained.

"Push, Sue! this contraption doesn't seem to have much forward propulsion." -- C. Wike and S. Lee.

WARD MANAGEMENT

A new patient is welcomed to the ward by D. Chew and D. Galotta.

J. Hall finishes her charting for the day.

C. Brady pours out her eight o'clock medications.

"His vital signs were stable today." S. Abramson and C. Brady.

"This should teach you not to get into snowball battles." J. Garner.

"That's it. Open wide." S. Abramson.

TUBERCULOSIS NURSING

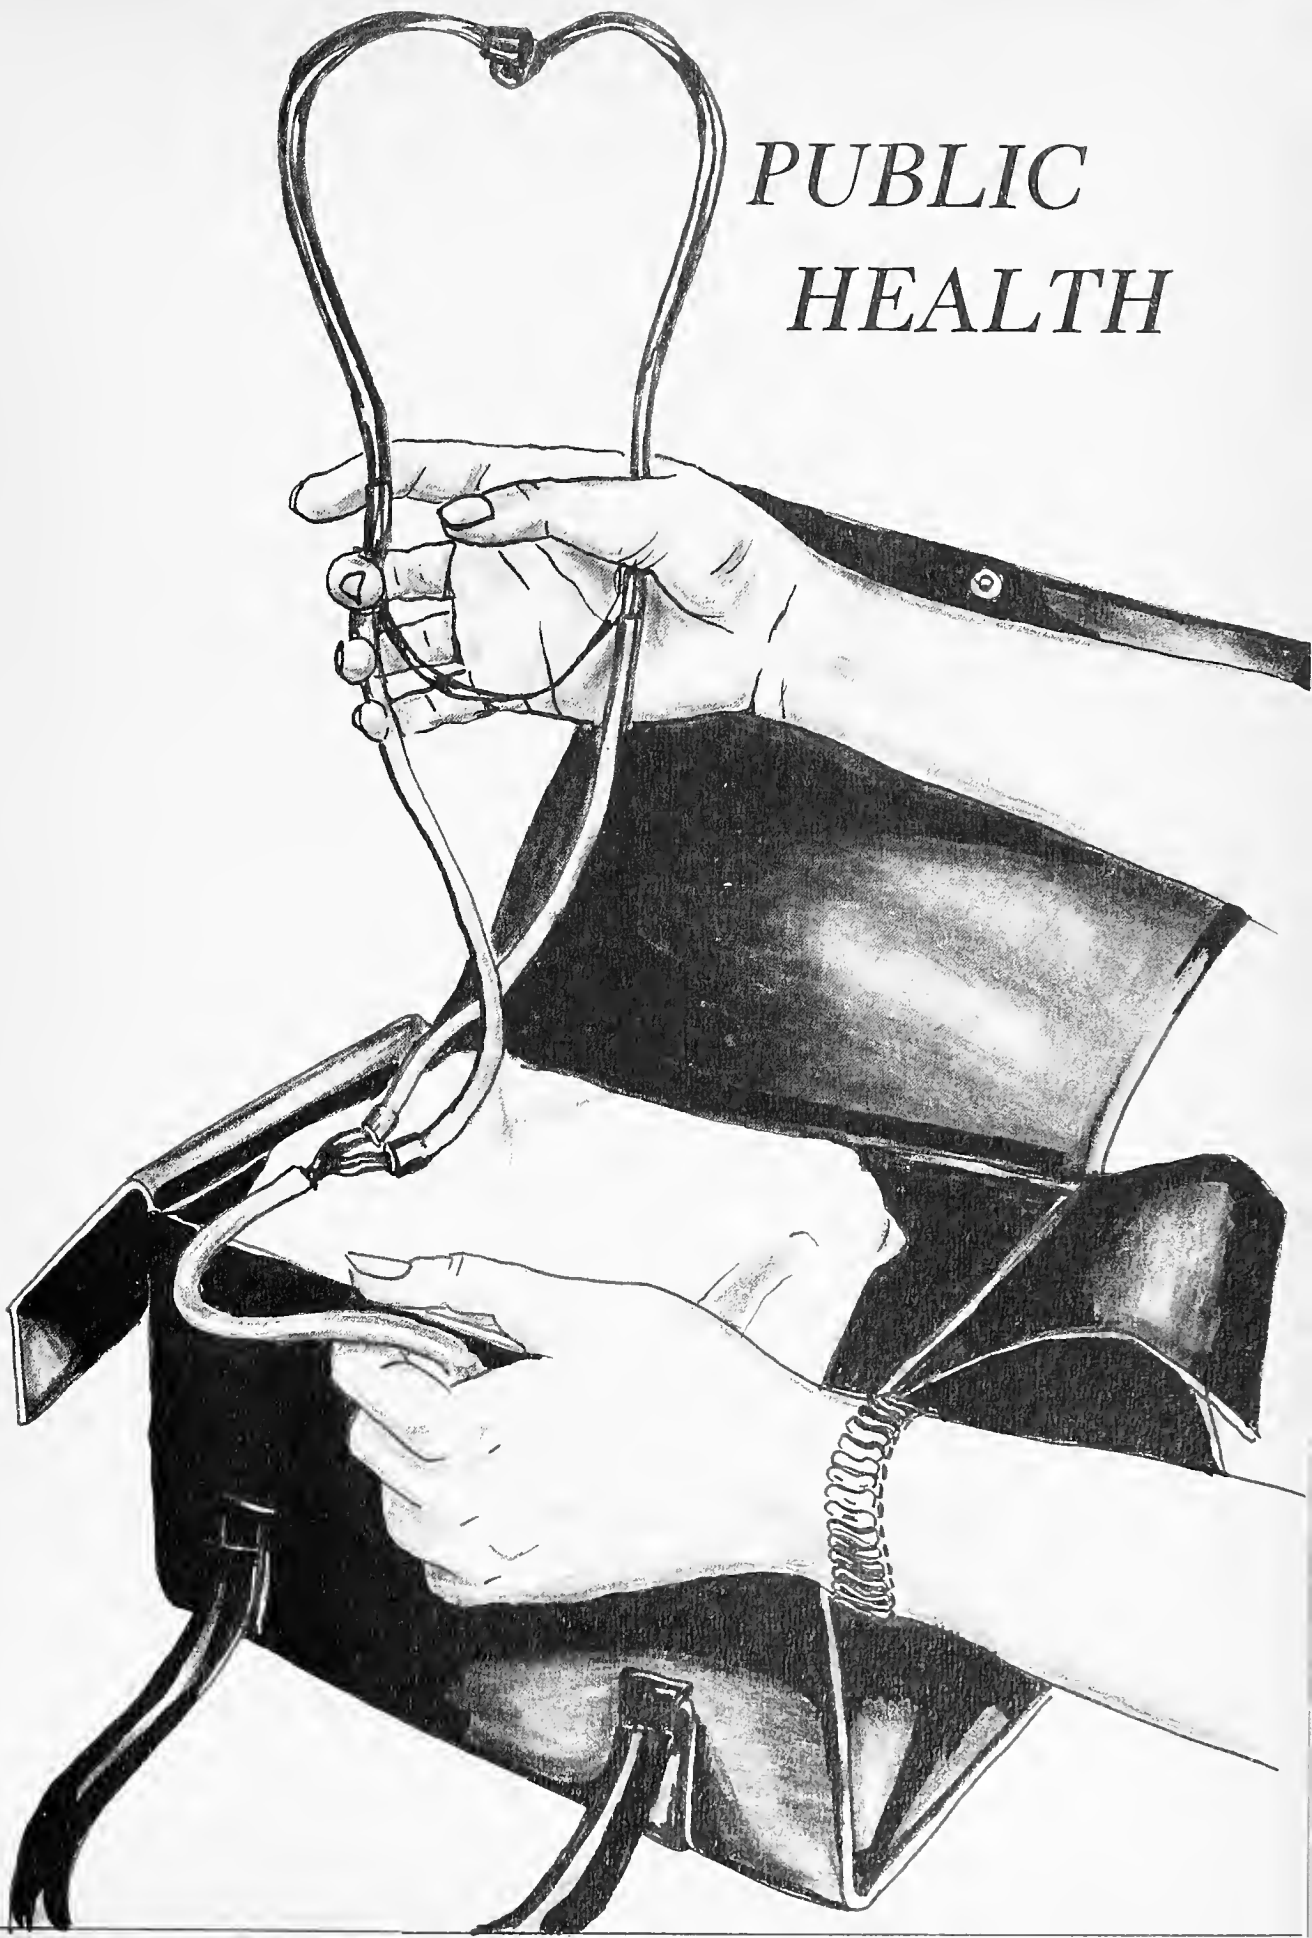

Whoever she is, she is well protected against N. Peck's cough.

"Yes, today I taught my patient about the ill effects of smoking." J. Finke and P. Margulis.

Rest is important in both the prevention and cure of tuberculosis. P. Knights, C. Harryman, L. Gerson, and J. Halperin.

PUBLIC HEALTH NURSING

It's another day at Druid Health Department for C. Young, J. Miller, N. Pue, S. Albright, and C. Payne.

"Hey, Nurse, my little boy is sick. Can you help him?" Public Health Nursing . . . Preventing disease . . . Immunizing . . . Teaching . . . Caring. We will always remember -- Our own desks . . . Coffee breaks . . . Day sheets . . . Navy blue caps and coats . . . First home visit . . . Bag technique . . . Urine tests . . . Blood pressures . . . Parking tickets . . . Charts . . . Clinics . . . Missed appointments . . . "But I couldn't be pregnant" . . . Iron pills . . . Teaching good nutrition . . . Frustrations . . . Neonatals . . . PKU tests . . . Formula sterilization . . . The good baby who never makes a sound . . . Teaching good hygiene . . . X-rays . . . "The big pill and the little pill" . . . Family folders . . . Referrals . . . The child with seizures . . . The crippled child . . . The Baer School . . . The Welfare Department . . . Gamma globulin shots . . . Polio drops . . . Clinic paid taxi fares . . . "But Johnny has to go to school" . . . Eye tests . . . School health records . . . Nurse-teacher conferences . . . "This is a toothbrush!" . . . Physical examinations . . . "Thirteen brothers and sisters?" . . . Negligent mothers . . . Unknown fathers . . . Overcrowded housing . . . Wood stoves . . . No central heating . . . Dust . . . Dirt . . . Rodents . . . Roaches . . . Community agencies . . . Family-centered care . . . Community resources . . . Tired feet . . . Well work shoes . . . Caring too much . . . unable to do enough. The memory of the frustrations of Public Health Nursing are remembered but their memory is tempered by the sense of responsibility and the feeling of accomplishment that warmed our hearts.

"Do I have all your appointment cards for Chest Clinic?" Mrs. Wohlson.

"A cup of coffee will fix you up in no time." N. Pue, P. Young, S. Albright.

Many busy afternoons are spent writing T.B., prenatal, and neonatal charts.

C. Tyler, P. Roche, A. Riutort, and M. Allen are preparing to teach their first prenatal class.

P. Young skims her charts before her final conference.

N. Bauman, N. Pue, and S. Albright compare notes prior to their conferences with Miss Dougherty.

"He's just fine, Nurse. He drinks two quarts of milk every day." S. Albright, N. Pue, and P. Young.

NON-CLINICAL COURSES

To compliment our nursing courses and strengthen our understanding with background knowledge, various non-clinical subjects are studied during our two years in Baltimore. The memories that remain -- Biochemistry . . . Krebs's cycle . . . Lab coats . . . Blood tests and urine samples . . . Pharmacology . . . Dosage . . . Drugged animals . . . Counterindications and side-effects . . . Cultural Anthropology . . . Malinowski . . . Primitive societies . . . Tribes and their laws . . . Theory of Exercise . . . Myofibrils . . . Ball and socket joints . . . Bermudas and floor exercises . . . Educational Psychology . . . The learning process . . . Communicating knowledge . . . Evaluating tests by validity and accuracy . . . Survey of Professional Nursing . . . Weekly reports . . . Florence Nightingale . . . Comparing the A.N.A. and the N.L.N. . . . Public Health . . . Communicable diseases . . . Epidemeology . . . Unobtainable statistics . . . Biostatistics . . . Data . . . Friday 3 to 6 . . . Sensitivity and specificity . . . Unit Management . . . Bibliography cards . . . Staffing a ward . . . payrolls and budgeting . . . Methods and Materials . . . Bulletin boards . . . Unit plans . . . Pictures and/or posters . . . Family and Society . . . Kibbutz . . . The American family . . . Mate selection and marriage . . . These classes, scheduled late in the day, give the finishing touch to our education.

Mr. Kelly's directions are followed by V. Leslie and R. West.

"Epidemeology paper? She's got to be kidding!"
Mrs. Wohlson, J. Caskey, and L. Gerson.
Public Health Nursing 133.

24th Anniversary

THE ENSIGN C. MARKLAND KELLY, JR. MEMORIAL POST #171 of the AMERICAN LEGION was formed in his honor, to perpetuate his name and keep alive the AMERICAN ideals for which he so willingly gave his life.

☆

To this end the Ensign C. Markland Kelly, Jr. Memorial Post #171 has been active in many programs and activities, a few of which are listed below.

- American Flag—Educational programs for flag etiquette and American Flags presented to Boy and Girl Scout Troops.
- Athletics—Junior baseball, basketball and lacrosse teams sponsored. Lacrosse trophies for High Schools and Colleges. A baseball field is maintained in the Northwood area. Annual Sports Award presented to an outstanding coach in the State of Maryland.
- Baltimore City Zoo—Gifts of (11) Polar bears, Jenny the elephant and most recently the Sardinian donkeys, Ginger Bread and Cupcake.
- Boys and Girls State—(8) High School Juniors each year sponsored.
- Boy Scouts—Over 48,000 Boy Scout calendars presented annually to schools, troops and Cub Packs.
- Drum and Bugle Corps—Sponsoring St. Mary's Drum and Bugle Corps and Honor Guards in American Legion competition each year.
- Essay and Oratorical Contests—Sponsoring contests in all schools interested.
- Open Shutter—Maintain film library for "shut-in" institutions as well as providing live entertainment and refreshments as occasion arises.
- Scholarships—McDonogh School and Baltimore College of Commerce.
- Memorial Services—Open to the public, each year a Memorial Day Service is held at Loudon Park Cemetery on May 30th for all who have made the supreme sacrifice for their country. Watch for announcement in the papers.

Since its inception, the Post has been interested in the community; and many things have been done to promote its welfare. Special credit should be given to the ENSIGN C. MARKLAND KELLY, JR. MEMORIAL FOUNDATION, INC. for their financial assistance. The result—many of the programs are a reality rather than a dream.
